Course Description

Welcome to English Language Arts (ELA)! In this course, we'll strengthen our reading, writing, speaking, listening, and thinking skills. We'll read stories by diverse authors, create our own written pieces, and engage in thoughtful discussions. ELA is a space to explore ideas, ask questions, and grow as critical and creative thinkers.

Please bring: sticky notes, pencils, a composition notebook, your computer, and a dedicated ELA binder. We will use Google Classroom and other edtech programs to support learning.

I am excited to learn and grow with you in this special place where we are empowered to succeed and guided by faith. I hope we can establish and fortify a strong connection between home and school, making this a stellar year!

***Grade 6:** Lays the foundation—students learn how to think philosophically and begin writing analytically with guidance.*

Novels and Readings

Grade 6 community/family

The Lemonade War by Jacqueline Davies; *The Lemonade Crime* by Jacqueline Davies; and *Number the Stars* by Lois Lowry.

Great literature gives the reader opportunities to experience the human condition across decades and centuries. Great literature also has a compelling theme that is expressed through literary devices. We may substitute novels with short stories that have equal literary merit.

Types of Writing

At all grade levels, we will have at least one multistage writing assignment in each quarter: literary analysis, expository, persuasive, and argumentative writing.

Types of Speeches

Storytelling
Poetry Reading
Dramatic Interpretation
Research Presentations

Discussion Formats

Socratic Seminar (summative assessment)
p4C discussion circle (formative and summative)
Peer-to-peer
Table talks

Tips from the Teacher

- **Google Classroom:** Use your child's Google Classroom. Every student has a Google Classroom login. Ask for their username and login, so you can see the assignments and feedback they receive on Google Classroom.
- **PE Uniforms:** It is possible that students will misread their schedules and forget they have PE. Leave one set of PE uniforms at school in the classroom cubby...just in case.
- **Regular Uniforms:** It's always good to keep a spare polo in the cubby, too. Recess can be a sweaty event, and I allow students to change their shirts in the bathroom if they ask.
- **"Read with a Stutter":** Re-read. "Read with a stutter" is a phrase a former student came up with to describe reading in English Language Arts. If we finished reading a book, a story, or a passage, we read it again, and again, and again. Once is not enough.
