Mary, Star of the Sea School Mission

Nurture, Unite, Inspire. We are committed to nurturing each child's curiosity, uniting our classroom in respect and collaboration, and inspiring every student to grow in knowledge, faith, and wonder for the world around them.

Course Description

This course is based on the ministry of catechesis for religious education and faith formation: **believe, worship, live, and pray**. Students learn the doctrine of the Catholic Church and establish a common language of faith, engage in understanding the sacramental life of the Catholic Church, focus attention on the moral teachings of the Church, and experience a wide variety of prayers. Students will develop a deeper understanding of faith and greater love for God.

Schoolwide Learning Expectation (SLE): MSOS students will become active Christians who respect others, make good choices, value prayer, and practice the teachings of the Catholic Church.
